

Restaurant "Trödelstuben"

Group-menu-selection:

Please make yourself a menu from the following dishes according to your own wishes. Attention: this listing can not be on site and it can not be indefinitely different food as selected from a menu!

Please note in your menu selection, all gray-backed and with * (star) printed food are not in stock and are specially ordered and prepared for you. For this reason, we prepare these dishes only from a minimum order of 15 people. We also need the exact portion for the purchase and preparation. On request, we also offer seasonal dishes that are marked "S" and are not always available.

For bus groups, with limited length of stay, we ask for the order of a menu for all participants from one starter, one main course and one dessert.

For all other groups, please select from the list, depending on the number of participants, 2-3 starters, 2-4 main courses and 2-3 desserts in advance. From this list, which you can send to us in advance, the participants can put together their own wish menu. You can inform us of the number of selected meals before the event. If this is not possible, the participants in the event can choose from this selection. For this we can lay out a small map with the selected dishes.
